

Virginia Green Restaurants

Profile:

Main Street Bakery Luray, Virginia

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations; and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

Main Street Bakery & Catering offers a wide variety of breads, cakes, pies and more – made daily from scratch. No preservatives are used. Call for your catering needs.

Virginia Green Activities. When visiting Main Street Bakery, you can expect the following practices:

CORE ACTIVITIES for Restaurants

- ☒ **Recycling and Waste Reduction.** Glass bottles must be recycled by Green Restaurants, but other recycling is highly encouraged as well.
 - Recycle: Glass, Aluminum Cans, Steel Cans, Plastic, Office Paper, Toner Cartridges, Newspaper, Cardboard, Packing Supplies, Fluorescent Lamps, Batteries, Electronics Equipment
 - Only discard 3 bags of trash weekly
 - Track overall waste bills
 - Effective food inventory control to minimize wastes
- ☒ **Styrofoam and Disposables Reduction.** Green Restaurants should reduce if not eliminate the use of Styrofoam and disposables. If you must use disposables, use products that are bio-based, paper, or recyclable.
- ☒ **Grease Recycling.** Grease should be collected and recycled. Grease filtering companies can also greatly reduce the amount of grease waste.
 - No Grease Used
- ☒ **Water Efficiency.** Restaurants should have a "plan" for conserving and using water efficiently.
 - Track overall water usage and wastewater
- ☒ **Energy Conservation.** Green Restaurants should have a "plan" in place to reduce overall energy consumption.
 - Track overall energy bills
 - Working with green lodging accommodations to promote "Green Lunches To Go"
